

# QuickTrim System

by Trim Solutions, LLC

## PATENTED HIDDEN FASTENING SYSTEM

WITH NAILING FLANGE & STARTER STRIP

### PVC Boards

*Face Nailed*

### PVC Boards

*Fastened with Plugs*

### Disadvantages of Plugs

- Must Be Installed Flush
- Difficult to Line Up Exactly
- Dirt/Mold Can Collect Around Plugs
- Plug Colors Don't Always Match
- Time Consuming - Expensive Labor Costs
- Increases total cost up to \$20 on a 20' board

### Trim Solutions

*with Nailing Flange & Starter Strip*

### Advantages of Trim Solutions

- Comes Standard with Nailing Flange and Starter Strip
- Optional J-Channel
- Completely Hidden Fasteners
- Hidden Fastening System:  
*No face nailing, No caulking or painting needed, Fastens with any standard nails, Easy & fast*
